## PRESS RELEASE

### Women in eDiscovery Announces 2021 Annual Sponsors

MINNEAPOLIS, MN – March 18, 2021 – [Women in eDiscovery](#), an organization that brings together women interested in technology related to the legal profession, announced today its sponsors for 2021. Women in eDiscovery (WiE) does not collect membership dues and is completely reliant on sponsors to support its operations and events.

“The executive directors and I are once again overwhelmed by the amazing generosity of our sponsors in the legal community,” states Jackie Rosborough, executive director of Women in eDiscovery. “We are thankful to these companies as they show their incredible support of WiE and its mission.”

#### **2021 Annual Sponsors**

[Beacon Hill Legal](#) partners with law firms and corporations offering the very best legal contract staffing solutions, document review services, and direct-hire and executive search resources, placing the legal market’s top attorneys, paralegals, and legal support professionals. Consulting with small boutique practices, regional and national law firms, and corporate legal departments across the country, Beacon Hill Legal utilizes a talented temporary and contract workforce together with an industry-leading team of executive search, placement, and staffing consultants to deliver the very best legal placement services to those we represent. Associates and partners, group mergers and firm expansions, GCs and in-house positions, complex document reviews and legal translation services; Beacon Hill Legal is the Nation’s top full-service legal project, search and staffing resource.

[BDO](#) provides value-added solutions to clients around the world through our extensive network of global resources, mobile solutions, seasoned professionals, and proprietary tools, including Athenagy™. Leading through innovation and focusing on the end game, we focus on our clients’ technical demands, regulatory environment and industry dynamics to deliver comprehensive and analytics-driven customized services for each client.

[Consilio](#) is a global leader in eDiscovery, risk management and compliance, document review, and legal consulting services. The company assists legal departments of multinational corporations and their outside counsel to respond to legal matters, reduce legal spend, minimize risks, and operate more efficiently using innovative software, cost-effective managed services, and deep legal and regulatory industry expertise across a

spectrum of industries. Consilio and its global family of companies, DiscoverReady, Advanced Discovery, Altep, Millnet Document Services and Legal Placements Inc., employ leading professionals in the industry, applying defensible workflows with patented and industry-proven technology across all phases of the eDiscovery and risk management lifecycle. ISO 27001:2013 certified, the company operates offices, document review facilities, and data centers across Europe, Asia, and North America.

[Exterro®](#) is the preferred provider of e-discovery software specifically designed for in-house legal and IT teams at Global 2000, Federal, State and Local Government Agencies and AmLaw 200 organizations. Founded with the simple vision that applying the concepts of process optimization and data science to the way companies respond to litigation would drive more successful outcomes at a lower cost, Exterro has been positioned as a Leader in the last three years of Gartner's Magic Quadrant for E-Discovery Software. Built on an open architecture platform, Exterro's e-discovery and information governance software integrates with existing IT, HR and legal systems to deliver complete visibility into all critical data required for managing information assets more efficiently.

[HaystackID™](#) is a specialized eDiscovery services firm that helps corporations and law firms find, understand, and learn from data when facing complex, data-intensive investigations and litigation. HaystackID mobilizes industry-leading computer forensics, eDiscovery, and attorney document review experts to serve more than 500 of the world's leading corporations and law firms from North America and Europe. Serving nearly half of the Fortune 100, HaystackID is an alternative legal services provider that combines expertise and technical excellence with a culture of white glove customer service.

[IPro](#) is reinventing the way organizations interact with their data by transforming the EDRM and thinking "upstream", we bring insight far earlier in the eDiscovery process, enabling teams inside and outside your organization to collaborate transparently at any stage, even before data is collected. By thinking about and interacting with your data differently, you will eliminate waste and reduce risk. We combine best-in-class governance and eDiscovery software with predictive analytics to give corporations, government agencies, law firms and legal partners the most open and effective solution to your data challenges. We bring you this power with an obsession on time-to-value and your success.

[OpenText](#) legal technology solutions help corporations and law firms leverage information assets to their fullest potential to gain a strategic advantage. Our flexible legal content management and end-to-end eDiscovery solutions combine AI, machine learning, advanced analytics, and automation to drive insights, productivity, and efficiency throughout the legal information management lifecycle.
